

# SustFest21 for kids

## SustFest21 Schools Week 24-28 May

- See "Events in the wider community" for just some of the schools taking part
- If your school's not listed it's not too late - please encourage them to join in.
- Ask your school to download the SustFest21 schools' assemblies at [sustfest.org/schools-youth](http://sustfest.org/schools-youth). There's a story for KS1 and Climate Action Superheroes for KS2 plus one for seniors.

## SustFest21 with your family

There are lots of events for you to enjoy in this programme from craft activities to family litter picks, scavenger hunts to seed bomb making. Have a look through. How many will you join in with?

## What is SustFest?

The Sustainability Festival is a time when people in St Albans, Harpenden and the villages in our district celebrate all the things people are doing to protect the planet and look after people by holding more than 150 events.

We learn more about what we can do to make the world a fairer and more sustainable place.

You'll already know lots of these things, like looking after nature, not wasting water, saving energy, cutting down on short car journeys, picking up litter and recycling stuff.

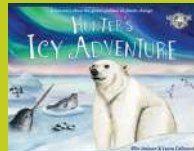

Kids make a difference! Why not: grow some veg, request second-hand presents, ask for plastic-free packed lunches and tell your friends you care about climate change.

SustFest uses this rainbow wheel (from [bioregional.com](http://bioregional.com)'s One Planet Living) to show all different parts of sustainability.

Do you think you can guess all 10 of them? Try it - before you read them in the table on page 29. Are there any you hadn't thought of?

Our infants' assembly features author Ellie Jackson reading her book "Hunter's Icy Adventure". Her beautifully illustrated books can be ordered from [wildtribeheroes.com](http://wildtribeheroes.com) and she's donating 50% to SustFest if you use the code SUSTFEST21.

## Private Events In The Community

For all our school resources, including pre-recorded SustFest assemblies for infant, junior and secondary schools, go to [sustfest.org/schools-youth](http://sustfest.org/schools-youth)
